

IT DOESN'T TAKE A LOT OF DOUGH TO MAKE A LOT OF BREAD

Finally, there's a machine that will get you cookin' in the vending biz--USI's new Euro-style Glassfront Vendor. This low cost machine is for those people who want to experience the full-range of vending capabilities without spending a lot of money. The Euro-style Glassfront Vendor has an incredible twenty-three selections of sandwich crackers, gum, mints and more! A mid-size machine, it's the perfect answer for those just starting in vending or those on a budget. The Euro-style Glassfront Vendor proves it doesn't take a lot of dough to make a lot of bread.
